

Job interview project - if willing to be interviewed - name and contact needed

Makahiki in January - need adults to help manage, pass out water, just be there to support

Imu - November - need support prepping and hands during the imu

- Cutting wood (we have the chainsaws)
- Collecting banana stumps (if ours aren't large enough)

Would like to establish community work days on the first Saturday of each month.

- Weed whacking
- Clearing the stream
- Irrigation projects / digging
- Tree trimming

Need to find sources of grants / donations

- Ceiling extra large fans
- Electrical system in fish house
- Solar system to power pumps

Guest speakers

- Successful farmers - young and seasoned
- Ag related fields
- Green jobs
- Entrepreneurs

Pacific gateway center

Put up a banner to promote community work days
